Re: Claim 8337, Claim Amount \$2,309.61
Files 01/29/2009

Dear Sir:

I am writing to oppose this objection to grant relief to Circuit City for my claim listed above. I was employed at Circuit City for over 31 years and it has been in the past few years where I was transferred over to an hourly associated with the benefit of PTO. I have accrued and taken my vacation and time away at the time that my supervisors saw was a good time, never allowed to take more than 1 week at a time and then most recently, was told to take it when they thought it was an appropriate time. As an hourly associate, instructions are given to try to take time off each month not to build up time and not taking in consideration that if sickness occurred and you had used all the PTO, then you were either off without pay or work no matter how you felt. As a salary associate, if you were sick, no pay was lost.

As time pass and more layoffs happened, you were barely allowed to take PTO because the department was understaffed.

I have enclosed my last payroll check that show my PTO balance was 149.31 hours, but I am not requesting that, because I did not work that entire time. The second payroll check shows a balance of 107.55 hours which amounts to \$2275.75 which is a little less than the amount of my original claim of \$2309.31. The 107.55 hours are what I earned before I left Circuit City. This is the changed amount that I am requesting, \$2275.75. I know that these are difficult times for all, but I hope to recoup some of my loss as I still search for a job.

I was a very dedicated employee and I volunteered and supported Circuit City through many functions and I feel that my PTO is due to me. Thank you for your time.

Sincerely,

Sheila Lewis
